## SNACK

### GEETA'S LIME AND CHILLI CHUTNEY

I've been hearing good things about **Geeta's** range for a while now, so am rather pleased to have a jar of extremely tasty chutney to tuck in to.

It's an authentic Indian chutney made from Kagzi limes, green chillies and aromatic spices, which means it's hot and tangy while remaining free from artificial flavourings, colourings and preservatives, as well as being gluten-free and suitable for vegetarians and vegans. If you've not tried a chutney like this before, imagine a sweet, spicy pickle and you're kind of there.

Get it for around £2.09 from Ocado and eat with popadoms, or spread over a burger for a lime-laced chilli kick.
